PHOTO COMPARISON

Feel the difference through a collection of photos that shows the change before and after the renovation.

Starting with the exterior of the hotel, the photos speak for themselves:

Fully redesigned exterior with new reinforced render with insulation properties. Architectural changes, fresh wall paint and new tiles just to name a few.

Following, the rooms renovation that will provide the guest a fulfilling fresh experience:

Fresh paint, new tiles, new doors, new furniture. All new renovated rooms. The two lower floors have a more classic and elegant design while the two upper floors have a fresher and more modern touch!

Next the interior of the hotel at the ground floor. The lobby area:

New design, paint and furniture for lobby area and the bar.

Following on the ground floor also is the restaurant:

Brand new restaurant with new ceiling, floors, tiles, furniture and paint.

And the last part of the renovation was the buffet of the restaurant:

To a new modern and stylish buffet

New creations and additions on the hotel

New entrance and parking lot:

The extended café besides the lobby and bar, more private and with view on the street:

The Meeting Hall with full equipment:

And lastly, we are proud to present the addition of our Deluxe rooms and Suites:

The Queen Suite with an in-room bathtub-jacuzzi, shower and separate living room:

The Junior Suite with an in-room bathtub-jacuzzi and shower:

And 3 Deluxe rooms:

High resolution photos and a brand-new website will be soon available!
